## Celebrating 100 Days of School

**100** **100**

Math	Print the number 100 on cards or stickers and ask hide them in your math classrooms. When student to locate the most 100s, wins a prize.
ELA	Craete a list of 100 titles - Wishlist for the class; books they've read or books they want to read
Science	Build a structure using 100 cups. Students will work collaboratively and think creatively to create their structure. Teams can attempt to build the tallest free-standing structure.
Social Studies	Celebrating along Valentine's Day and Congenital Heart Defect Week (affecting 1 in 100 infants) with a project, students will create a heartfelt project. Students create handmade Valentine's Day or Get Well Cards to send over to the hospital next door. 100 cards for the 100th day of school.
